

About Vantage

Vantage is a leading multi-asset broker offering clients access to trading CFDs on Forex, Indices, Shares, Commodities, Cryptocurrencies and ETFs.

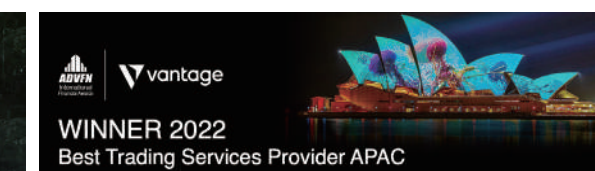

Since the company's inception in 2009, Vantage has offered trading clients an unparalleled trading experience. We pride ourselves in our ability to provide the transparent trading environment, allowing you to exploit your trading edge.

Award-Winning Broker

Established with a global vision, Vantage has a brand name that instils trust within traders all around the world.

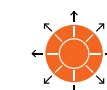

The Vantage Difference

Lightning-fast Execution

We believe speed is everything when trading the financial markets. Over the years, we have built a powerful trading ecosystem, creating highly efficient processes with low slippage as well as deep liquidity.

Raw ECN Spreads From 0.0

Trade with razor-sharp spreads from 0.0. With our RAW ECN account, you can experience some of the lowest trading costs in the industry.

Premium Trading Tools

With our premium set of trading tools, gain exclusive insights on potential market movement as well as actionable technical trade setups and real-time macro-economic news events.

Strict Regulation

Vantage is authorised and regulated in various jurisdictions.

Our Products

Forex CFDs

Vantage provides traders access to over 40 forex pairs in the most liquid global markets. Experience an institutional level of trading through our deep liquidity pools and become an active trader in global markets.

Indices CFDs

Gain access to the biggest, most liquid stock exchanges around the world with our indices CFDs. Vantage provides fast execution speeds with our unparalleled access to the deepest liquidity available.

Share CFDs

Vantage is proud to offer clients access to over 800 largest US, UK, EU, HK and AU listed companies through our share CFDs. Go both long and short in the world's biggest listed companies.

Commodities CFDs

With a Vantage trading account, you will be able to trade precious metals such as soft commodities and energy CFDs. This includes among others Gold, Silver, Copper, Brent, WTI oil, Coffee, and more.

Cryptocurrency CFDs

Vantage clients can trade a wide range of cryptocurrency CFDs. You can take advantage of markets opportunities on both the rise and fall of cryptocurrency prices.

ETFs CFDs

Diversify your portfolio with ETF CFDs that allow you to gain exposure to a range of markets. Access over 50 popular ETFs on Vantage and seize market opportunities by going long or short.

Risk Warning: Trading FX and CFD carries the risk of losing substantially more than your investment and is not suitable for all investors. You don't own or have any rights to the assets that underlie the derivatives (e.g., the right to receive dividend payments). You should not invest more than you can afford to lose and should ensure that you fully understand the risks involved. Past performance is no indication of future performance. The information in this email is general in nature and doesn't take into account your personal objectives, financial circumstances, or needs. Please refer to our legal documents page on our website to ensure you fully understand the risks before you make any trading decisions.

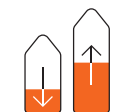

Trade Cryptocurrency CFDs with Vantage

You can buy and sell cryptocurrency CFDs by predicting and creating opportunities on their potential price movements, without actually owning the coin. Besides Bitcoin and Ethereum, you can access more than 40 crypto coins, such as Solana, Dogecoin, Cardano, XRP and other Altcoins.

No overnight fees

Save on overnight charges when you trade with our swap-free account on all Cryptocurrencies.

Hedging

Hedge your portfolio with CFDs with leverage.

Trade bull and bear

Trade both rising and falling markets with leverage, so you can increase your exposure.

Global Award-Winning Trading App

Trade on the go

The Vantage App offers traders a user-friendly, yet powerful mobile access to 400+ CFDs of Forex, Commodities, Indices, Shares, Cryptocurrencies and more! Available for both iOS and Android devices, the Vantage Trading App is equipped with a suite of trading and investing tools so you can trade global markets anywhere, anytime!
